

JUDGES' CUP AD PROGRAM BOOK

All ad dimensions listed are for the maximum size for "live" printed matter. All type, art work, and pictures must fall within these guidelines. CAMERA-READY art is required (no film please). This includes laser-quality prints or items already in print, such as business cards or a good photocopy of an existing ad. A good rule of thumb: If it photocopies well enough, it should be fine. All ads will be printed in black and white and can be mailed or emailed.
