

NEW NAWGJ UNIFORM

Ordering a NAWGJ Uniform

Dear NAWGJ Members,

NAWGJ has developed a partnership with Lands End as the supplier of our official uniform. HPI was no longer able to supply the uniform as we had originally planned so this is a necessary change. You are able to order any uniform pieces by going to the Lands End website. The information to access the site and the link is listed below. If you are only in need of one piece the HPI pieces will blend well with the Lands End selection.

Here is some information about the new product. All pieces are washable!

The fabric is lighter in weight than the HPI product. It is a poly/wool blend with 4.5% spandex for stretch and ease is wearing (and sitting).

Pants can be ordered in a flat front or a waistband with a pleat and stretch waist.

Pants can be ordered with a specific inseam length.

Sizes are available in women's, petites, plus and men's sizes.

The skirt has no waistband and has a double kick pleat in the back.

All pieces are extremely comfortable.

An automatic discount will be applied to our order at the checkout point. The final cost of the jacket will be \$150.38 (with the logo applied) instead of the \$168.50 retail cost. The discount will also be applied to any other products you order through the NAWGJ link.

A return label will be included in the event that you wish to reorder a different size. Our web store has been activated and our new your new e-store store URL is: <http://ces.landsend.com/NAWGJ> (NO www.) Please give your attention to home page note:

Welcome to your Company E-Store! For the approved judging uniform please enter the following item numbers in the search box:

Women's Washable Blazer - Item #077206 Women's Washable Skirt - Item #077303
